In July 2016, learning and culture will come together in the heart of Paris!

From **July 4<sup>th</sup> to July 22<sup>nd</sup> 2016**, international students aiming for a career in Social Work can take part in a variety of activities in Paris: lectures in English as well as mini-placements, walking tours, cultural visits and social events in a safe and nurturing environment.

Our students have distinguished themselves for the past century by their significant contributions to Social Work in France and in the world. We would be pleased to welcome yours as well!
