

Tenure-Track Position in Social Work

The TCU Department of Social Work invites applications for a full-time, nine-month, tenure-track position beginning August 2016. Rank and salary will be commensurate with experience. The Department, offering BSW and MSW degrees, is located in the Harris College of Nursing and Health Sciences.

Applicants must have a proven record of quality teaching and scholarship and have grant experience. Applicants must be willing to teach in both undergraduate and graduate programs. The MSW program offers the Advanced Generalist concentration with specializations in the areas of children and families or health and mental health.

The position requires a Masters in Social Work with two years of post-Masters practice experience in social work. A Ph.D. in Social Work or related field is required. Candidates with ABD status will be considered. Preference will be given to those candidates who have experience working with children and families or health and mental health. The Department requires that all faculty members be licensed to practice as social workers in the state of Texas and be members of the National Association of Social Workers (NASW). Incoming faculty will be required to meet these requirements prior to the beginning of the Fall Semester.
