SOCIAL WORK FACULTY
INVOLVED IN INTERNATIONAL
ACTIVITIES

Goutham M. Menon, Ph.D.

UNIVERSITY OF NEVADA, RENO gmenon@unr.edu

2016

February 24, 2016

Dear Colleagues,

I am pleased to present the 2016 Directory of Social Work Faculty in the United States and Canada who are involved in International Activities. This was done through the behest of the International Task Force of the National Association of Deans and Directors of Schools of Social Work and with the encouragement of those involved in international activities at the Council on Social Work Education.

A survey was created in two parts and sent multiple times to the BPD, MSW and the NADD listservs. The first part consisted of general question on international activities of faculty and their schools. The data on that will be analyzed and prepared for publication soon. The 2nd part of the survey asked faculty to provide their area of interest, country of interest and their email contact to help develop a directory. The main aim of the directory is to enhance networking amongst ourselves and to nurture a mentoring relationship to new faculty coming into this field.

The survey was designed with the help and input of Dr. Barbara Shank (St. Catherine University and University of Saint Thomas Collaborative) & Dr. Darlene Bailey (Bryn Mawr College), Co-Chairs of the International Task Force of NADD; Dr. Steven Anderson (Michigan State University), and Dr. Robert Skiff (Roberts Wesleyan University). A big thanks to all of them!

I hope you and your colleagues will find the directory useful and may it help in fostering international research, teaching and service.

Sincerely,

Goutham M. Menon, Ph.D.
Director, School of Social Work
University of Nevada, Reno
