Hello All,

Applications for the 11th cohort of the LADD are now being accepted. As a program of NADD, the Leadership Academy for Deans and Directors (LADD) assists social work deans and directors in their continuing development as leaders in the fields of health and aging care. Employment of social workers is projected to grow 12 percent from 2014 to 2024. This employment growth is driven by increased demand for healthcare and social services. Since its inception, 119 deans and directors have participated in the LADD. The application materials are on the NADD website's home page. I invite you to apply for this leadership development program. The application deadline is July 20, 2018. I am happy to answer any questions you might have regarding the program.

Best,
